DETAILS/DESCRIPTIONS

STEAM TABLE

The steam table on the Comet hot dog cart consists of two large cast iron burners with individual shut off valves. The steam table accommodates two 1/2 size pans and two 1/3 size pans. The pans are 6" deep and come with solid lids. You can steam, boil or warm up food items of your choice (hot dogs, buns, chili, etc.). Alternative configurations are available. Pans are easily removable for cleaning and maintenance. All pans and lids are NSF approved and listed.

SINKS

The hot dog cart has four sinks and two swivel faucets with hot and cold water for handwashing, rinsing, washing and sanitizing.

WATER STORAGE

The Comet hot dog cart has one 5 gal. fresh water tank and a 7 gal. waste water tank.

COLD STORAGE

The Comet hot dog cart is equipped with an insulated stainless steel beverage bin with an individual drain . It is accessible through a hinged lid. It has a 142 can capacity.

HEATING SOURCE

The two burners on the steam table of the Comet hot dog cart run on propane, which is stored neatly in a double cylinder hold down rack located on the tow bar. It accomodates two 20 lb. propane tanks, ensuring you never run out during an event.

WINDOWS

The Comet hot dog cart has two large customer service windows for fast and efficient service. Optional screens are available if required. The sliding windows have lockable latches for security.

AWNING

The Comet hot dog cart is equipped with a full-size hinged awning to provide customers cover from the rain or the sun. The awning has lockable latches for security. Additional exterior colors available.

CEILING VENT

The Comet hot dog cart has a 12V fan ceiling vent to circulate air and to keep the interior ventilated without compromising security. The vent cover opens and closes with a hand-operated crank. The switch to turn the fan on/off is mounted on the vent.

ACCESS DOOR

The entrance to the Comet hot dog cart is on the side of the cart and comes with a key lock for security.

SHELVES

The Comet hot dog cart has an exterior customer shelf that extends the length of the cart.

TRAILER

The hot dog cart rests on a D.O.T.-approved heavy-duty trailer (title available) with baked enamel finished. The leaf spring suspension system allows you to tow it at freeway speeds with safety. The tire size is 4.8" x 12" standard.

TOWING BAR

The tow bar hitch on the hot dog cart is removable, increasing the approachability of your cart and reducing potential safety issues. It is equipped with a 1 7/8" ball coupler with two safety chains.

LIGHTS

The lights on the hot dog cart are tail, stop, signals and hazards. The wiring harness for the lights is male. The lights come with a license plate holder.

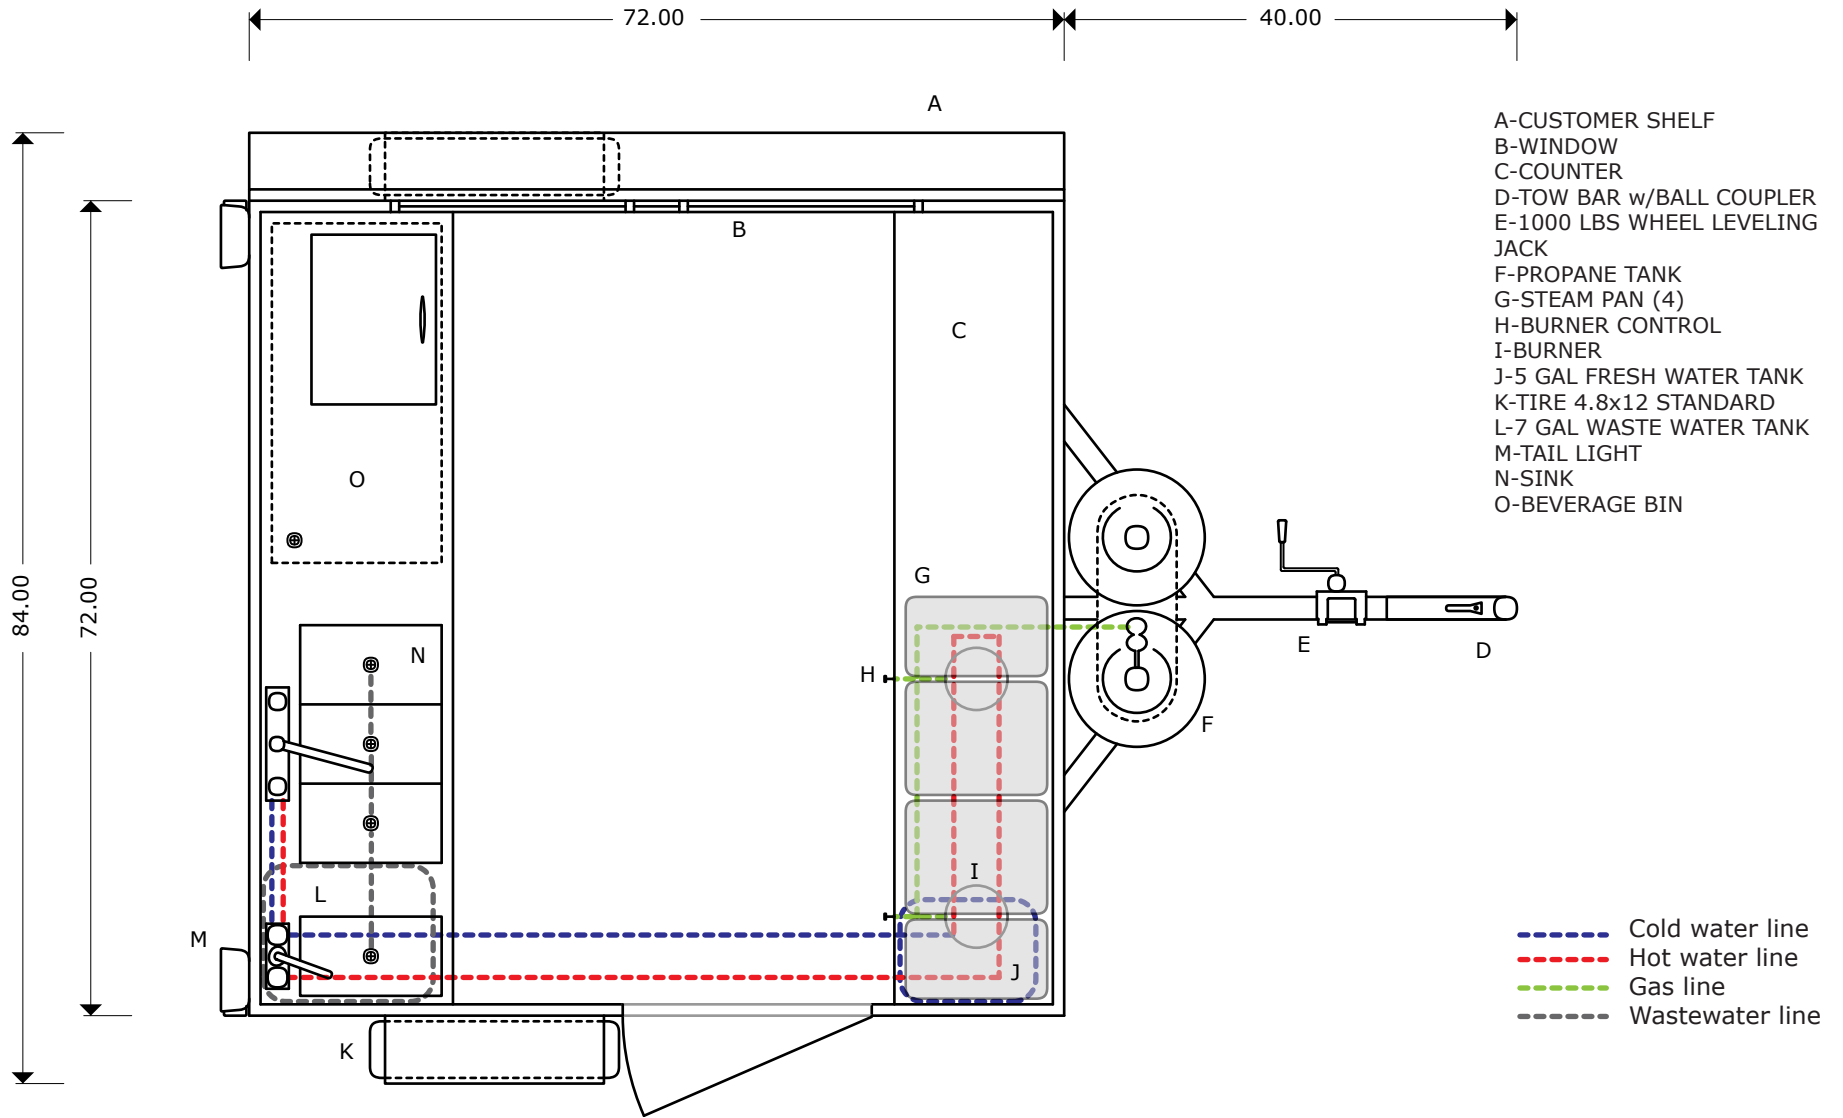

WHEEL LEVELING JACK

The hot dog cart comes with a user-friendly 1000 lb. capacity swing-back trailer jack. With the swing-back style there's no need to remove the jack when hauling the hot dog cart, just fold it back and away. The trailer jack has a side crank handle to level it.
